MGMT :

ATTACHED DOCUMENTS :

1) Leaving Certificate/ Transfer Certificate:

2) Domicile Certificate :

3) Last Exam Mark sheet

4) Non Creamy Layer Certificate
(NT3, NT4, OBC)

5) Cast Certificate

6) Cast Validity Certificate

7) Migration Certificate

8) Gap Certificate

9) Character Certificate

FOR OFFICE USE ONLY :

Admit to MCA course

Amount Received Rs. _____ in words Rs. _____

Receipt No. _____ Date : _____

Remark : _____

Signature of Accountant

I _____ wish admit in the class

During academic year 2009 - 2010 in your MCA course . I hereby given an undertaking that if my attendance is not fulfilled by me i.e. 80% of total working days than I will not be eligible for the College / University Examination. I am aware at the above condition and if I am unable to fulfill the required attendance I will have no complaints regarding the action taken by you.

(Signature of Student)

(Signature of HOD)

(Signature of Director)

XV. LIST OF APPLICANTS

- ❖ List of candidates whose applications have been received along with percentile/percentage score for each of the qualifying examination in separate categories for open seats. List of candidates who have applied along with percentage and percentile score for Management quota seats.

Application list t for Management Seat

Merit No	Students Name	Cat.	Qualification	Total Marks	Out of	Percentage	CET Score	CET EXAM

XVII. INFORMATION ON INFRASTRUCTURE AND OTHER RESOURCES AVAILABLE

Infrastructure Details:

VIIT has a network of over 330 computers powered with Gigabit Fiber Optic Backbone and 100 Mbps Intel switches.

This is a Heterogeneous Network Environment. [Linux](#) being the most common system in the server room and Windows on the client side.

Features

1. Mail: An electronic mail account is set up for every student and staff member. Even parents and friends of the student can contact them using a unique email facility on this web site. Such mails will directly go to the Student mailbox on his/ her desktop computer. Both POP3 and IMAP are supported by the mail server.

2. Development: Apart from the softwares installed on each computer students have allocated space on the server. This space includes their home directories, space on web servers and space for IMAP folders. Students may store personal Web pages on the Intranet Web servers. These web technologies include [JSP](#), [Servlet](#), [beans](#), [PHP](#) and [ASP](#). All student computers, offices and classrooms have access through the high-speed Ethernet, to the campus network and all residence halls have direct Ethernet access to the network with a port available for each student and additional ports located in many lounges and study areas.

3. Internet Access: The Institute currently has high speed leased line (1 mbps through optical fibre) Internet access. VIIT can be ranked among the most wired Institute in India.

4. Computer Labs: There are Five Computer Labs at VIIT with 60 computers in each Lab and Two Labs with 60 Computers. Network and Intranet connectivity is available to all the Labs and Student's Hostels. The Labs are available for use for 24 Hours to the students.

5. Access @ hostels: All student computers, offices and classrooms have access through the high-speed Ethernet, to the campus network and all residence halls have direct Ethernet access to the network with a port available for each student and additional ports located in many lounges and study areas.

Server Details

We have 3 Compaq Proliant 3000, 2500 and 1600 Servers with Xeon processors 512 MB RAM, 36 GB SCSI Hard Disks, Three Acer Altos R700 three Servers with Xeon processors 1 GB RAM, 36 GB SCSI Hard Disks, DELL PowerEdge 860 with Xeon processors 2GB RAM 160GB SCSI Hard Disks And Acer Altos S700F Storage Area Network with 1 TB space These servers serve as LDAP, Web, Mail, FTP, Database, Domain, Tally servers apart from normal file and print services.

LDAP+Samba Server

This the main Samba file server holds home directories of all the network users. This Server keeps the security information in a LDAP database based on OpenLDAP, in turn provides authentication information to all other servers. This makes administration centralized and easy.
OS: Red Hat Linux with Samba 2.2.x

Database & DHCP Server

This Server serves as a database Server. The Database software is Oracle.
This Server serves as backend of many intranet sites and applications. All the students have their own account on this server. This account is synchronized with their network logins.
This Server provides IP addresses dynamically to client machines in order to participate on Network.
OS: RedHat Linux with Oracle 8i Release 2

Web Server [ERP]

VIIT has developed many software inhouse to fulfill it's own requirement. VIIT ERP System is one major Software developed at VIIT. This entire project is web based and is hosted on the this Apache Web Server dedicated for the ERP. Front end is developed using PHP which is a great, very fast language for Server Side Scripting. The database backend used is Postgresql

OS: Red Hat Linux with Apache

Web Server [IIS]

This is Windows 2000 based IIS 5.0 [Internet Information Server] Intranet Web Server. This is also MS-Sql Server for holding databases for students. Again all the students account on this server is synchronized with their network logins.

All the sites developed by students using Active Server Pages (ASP) technology are hosted here. At the time of making this web site this server is holding more than 50 web sites developed by our students.

Also a share is dedicated on this server for the applications developed by the students.

Mail, DNS & Proxy Server

This Server is VIIT's Gateway to Internet.

This Server is connected with high speed ISDN lines to Internet. All the students and staff get access through this server. Server scripts are written to automate the process of Internet access. At specified times these scripts activates and provide Internet connectivity to only computers specified in the script to ensure everybody get enough access to Internet and on right time.

For email access this Server is connected to the 64K leased line at VIIT Internet Center, Baramati through an exclusive RAS connection.

This Server also provides a unique Intranet email ids to all the students and VIIT staff. Students as

well as VIIT staff can communicate with each other and with their families and friends using email. This Server also functions as Domain Name Server to support Intranet sites.

OS: Red Hat Linux with Squid, iptables and bind.

Apart from all this this server is used for storing online books for students named as e-library. So all the books and other information stored on this Server is accessible to each and every student of VIIT.

IBM and HP machines are used as nodes. Other accessories include printers, scanners, web-cams, modems, CD-Writers etc.

- E-Library facilities - Yes

LABORATORY:

For each Laboratory

- List of Major Equipment/Facilities
- List of Experimental Setup

COMPUTING FACILITIES:

- Number and Configuration of Systems : 330 Nos
- Total number of systems connected by LAN : 330 Nos
- Total number of systems connected to WAN : -

➤ Internet bandwidth	:	2 Mbps.
➤ Major software packages available	:	All Software of Microsoft
➤ Special purpose facilities available	:	WiFi, LAN & Internet Facility at Hostel.
Games and Sports Facilities	:	Well equipped central gymnasium halls for ladies and gents students.
Extra Curriculum Activities	:	Annual gathering and cultural programs, Study tours for students and staff
Soft Skill Development Facilities	:	Workshops on Personality Development and Communication Development
Number of Classrooms and size of each	:	13 Class Rooms (80 Sqm. Per Room)
Number of Tutorial rooms and size of each	:	N.A.
Number of laboratories and size of each	:	NA
Number of drawing halls and size of each	:	NA
Number of Computer Centers with capacity of each	:	5 Labs with 60 Computers each enters and 2 Labs with 60 Computers each centers. (5 labs of - 121 Sqm. each And 2 labs of 80 sqm. each)
Central Examination Facility, Number of rooms and capacity of each.		
Teaching Learning process		

- Curricula and syllabi for each of the programmes as approved by the University.
