**15. Multidisciplinary / interdisciplinary**

In order to develop the all-round capacities of the students - intellectual, aesthetic, social, physical, emotional and moral in an integrated manner, the institute is preparing to include multidisciplinary subjects as per the National Educational Policy 2020. Keeping in view the problems faced by the students, the institute is planning to set up short term and vocational courses. The aim is to make the students equipped, so that they don't need to rely on jobs but instead pave a way towards self-employment. As the institute is preparing itself to have more of multi-disciplinary subjects, it tries to identify the programme learning outcomes along with courses and unit learning outcomes that define the specific knowledge, skills, attitudes and values that are to be acquired by the learner and would ensure that each programme achieves its goal.

**16. Academic bank of credits (ABC):**

Regarding the implementation of Academic Bank of Credits, the institution has started taking initiative. As per UGC instructions and affiliating university (Savitribai Phule Pune University, Pune) guidelines, academic bank account on ABC portal is mandatory to every student. College Examination Officer (CEO) of institute has explained all the process to generate Academic Bank of Credit (ABC) identification number to all the students. Students followed the process and generated the identification number. All these ABC identification numbers along with PRN of students are submitted in affiliating university (SPPU, Pune) in the given specified format.

**17. Skill development:**

Institute offers series of sessions to strengthen the vocational education and soft skills of students in alignment with National Skills Qualifications Framework. The institution is providing Value-based education courses such as Human Rights, Information security and Introduction to constitution to inculcate positivity

amongst the students that include the development of humanistic, ethical, Constitutional, and universal human values of truth (satya), righteous conduct (dharma), peace (shanti), love (prem), nonviolence (ahimsa), scientific temper, citizenship values, and also life-skills etc. Also the Institute celebrates National festivals like Independence Day and Republic Day. Observing various programmes like the Death and Birth Anniversary of our National leaders which help in imbibing the good qualities of those for the students. Mentoring students is also one of the practices of the institution, to enable students to explore future employment pathways after graduation, and help them get the most of their studies.

**18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

For the programs presently offered by the institute, the medium of instructions is English language.

However considering the background of the students, faculty members are encouraged to use Marathi (local language in Maharashtra) and Hindi languages in the class rooms wherever and whenever necessary.

**19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Institute implements / executes the curriculum offered by the affiliating university. The curriculum itself is designed considering Outcome Based Education. As per guidelines mentioned in the curriculum, Institute maps course outcomes against program outcomes.

Presently institute is devising a mechanism for Course and Program Outcomes attainment.

As per affiliating university norms, Institute evaluates the students for 50 % of the credits through internal evaluation. While evaluation, institute selects internal evaluation parameters in line with course objectives, course outcomes, program outcomes and program specific outcomes.

**20.Distance education/online education:**

As Institute is well equipped with IT infrastructure, it may offer vocational course through ODL (Open Distance Learning) mode in due course of time.

Keeping in view the convenience of the student, the various

technological tools used by the faculties especially during the pandemic lockdown are Google Classroom, Zoom, and Google meet using videos as teaching and learning aids. All said technological platforms were used for teaching-learning, presentations, guest sessions, project viva-voce etc.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Before beginning of semester, Institute conducts staff meetings on regular basis to discuss various curricular aspects, academic concerns and subjects. In such meetings subjects to teaching faculty are allocated. When individual teaching staff is allocated subjects for ensuing semester, he or she is asked to prepare teaching plan and elaborate on tools and techniques to deliver the respective subjects. Every teaching faculty maintains academic file in a predefined format.

The students have adopted self-learning method. Various methods adopted by teaching staff include - Presentations, case study, anecdotes, chalk-talk method, scenario building, webinars, industrial visits, academic interventions, employability skills

enhancement, importance of time management etc. Students belong to rural and semi-urban background. They seldom have phobia for interpersonal skills and communication. Faculty members familiarize them with current industry expectations. We groom them to be able to match such expectations. Every student gets personalized attention and individual mentoring. The university has provided syllabus which ensures sound theoretical framework. Teaching faculties share their industrial/ business world experience. They share latest events and news with students. It is imperative that student get these updates. LCD TV is made available to view latest business news on regular basis. Students see movies through movie club activity.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Students are admitted through a Centralized Admission Process conducted by Directorate of Technical Education, Maharashtra State. Students aspiring for the programmes, appear for MH-CET conducted by Directorate of Technical Education, Maharashtra.

Assessment of students' Learning Levels is done through:

- Online certification courses
- Poor attendance list
- Academic results (Class performance, Assignments, Test, and University results)
- Mentoring process

Institute takes following initiatives such as - Induction for fresher's of MBA and MCA programmes, Guidance for choice of Major and Minor specializations for MBA students.

Based on the above assessment of the students, the following strategies are built to bridge the knowledge gap of the newly admitted students-

- Induction programme provides information with respect to the entire curriculum, the examination process, and information of the various centers for excellence, computer lab, library and other resources available in the Institute.

Institute scrutinizes the academic performance of the students closely. It seldom comes across differently abled students from diverse background. These students are admitted to the program. Institute provides for necessary facilities. Institute also provides remedial coaching and mentoring, if required.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The Institute adopts both formative and summative methods of evaluation. Formative approach to evaluation includes measuring the student's achievement through presentations, group discussions seminars and case studies. The summative evaluation is done during tests. Even if some students don't perform well or clear the eligibility condition, then an extra chance is given to the student for his/her evaluation.

For summative approach unit tests and prelim exams are conducted.

Following initiatives are taken by the Institute for the improvement of evaluation process.

1. For student evaluation complete transparent system is set by the institute which is aligned with university norms. Evaluation criteria are set with common staff meetings and with approval of all experts with each subject.
2. One unit test and preliminary examination is conducted in each semester and its performance is accounted for Internal Performance Evaluation.
3. Internal subjects, projects and practical are evaluated using rules and regulations of university.
4. University reforms are aligned with institute's evaluation criteria such as Attendance, Assignments, Presentations/oral, Group Discussions, Scrapbook, Unit Test, and Preliminary Examination.
5. Internal Evaluation results are displayed.

6. In case of students seeking to improve his/her performance, he/she can do so by contacting the concerned faculty member.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

As per the University guidelines, 50 marks are allotted for internal marks, which are conducted by individual institute. Remaining 50 marks are evaluated by the University through theory exam for 50 marks (This was for the syllabus which was made effective academic year 2019-20 onwards).

Term end examinations for each course are conducted by affiliating university for each semester. Both the internal as well as external examinations are conducted under the surveillance of CCTV cameras.

Students may report any of their grievances to College Examination Officer appointed in consultation with the academic staff. Normally senior experienced staff is appointed as College Examination Officer. This is also in line with the university norms. He/she is treated one point contact for any issues or grievances related internal examination as well as University Examinations.

Students had major grievances especially on Online Examinations held for MCA/MBA Programme. The matter was taken up with affiliating university.

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Programme outcomes, Programme specific outcomes and course

outcomes for all Programme offered by the institution have been pre-determined only from academic year 2018-19. Based on the rubrics faculties have set Course Outcomes and Attainment levels.

Prior to the said academic year, result analysis exercise was strictly indulged in to ascertain the extent to which students were able to comprehend and achieve good academic result/s. Those passing and the percentage of students passing in pass, second, higher second, first and distinction were ascertained. This gave the idea to the faculty member as to how he/she had fared in terms students' academic achievement.

Institute had a practice of indulging in the determination of Programme Outcome on the basis of changes observed in Knowledge, Attitude and behavior of the students.

As regards, POs an academic discussion was initiated internally for all the teaching faculty members only to determine POs. This was done based on the academic and or industry exposure teaching faculties had.

It helped them identify and set the Course Outcome they expect the student to achieve and update. Blooms taxonomy was considered to be the guiding principle while fixing norms for levels of achievement concerned students were likely be part of.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Programme Outcomes (POs) and Course Outcomes (COs) for all the Programmes offered by the institute have been pre-determined.

Based on the rubrics faculties have set Course Outcomes and Attainment levels.

The Institute collects and analyses feedback in the following manner

1. Faculty observation - The faculty assess the students through their class participation and

involvement in the institute activities.

2. Mentoring - Mentors notice important observations in students through mentoring processes and remedies are performed if major deviations are observed.

3. Internal assessment through assignments - Through various assignments the faculty is able to assess the achievement of the expected learning outcomes.

4. Examination Result Analysis - The committee is designated to do the result analysis of every student to see the academic progress of the student and feedback is given. This analysis is used for planning the pedagogy and lesson in the consecutive semesters.

5. Employer feedback analysis - The placement department collects feedback about the student performance in the industry during their initial period of employment. This information is analysed to ascertain the industry readiness of the student. If any common deficiencies are noted in the students, training programmes are undertaken for the consecutive batches.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Governing Council is the apex body in the organization. For the good governance, Vidya Pratishthan has Executive Committee consists of President, Vice President, Secretary, Treasurer and a reputed personality from various field which form the policies, appointment and service rules and the same are the college development committee is also constituted to discuss the various issues related with academic, research policies.

The director of the institute is a link between Governing Council, Executive Committee and College Development Committee as well as the teaching and non-teaching staff. Under the director, for administrative purpose the Registrar is appointed, who looks after the compliances of regulatory authorities.

Since we have two programmes (MCA & MBA), for smooth function of the programme, Head of the department is appointed for each program which carry the functions like academic scheduling and delivery of inputs along with additional inputs, Event coordination, Co-curricular extra-curricular activities.

There is a separate Administration and Accounts Department which takes care of employee induction, HR support, compensation employees welfare, keeping accounting record, preparing financial statements and financial audit of the institute.

Along with academic activities grooming of the students, providing internship opportunities and final placement is a vital Part. For this, we have Central Training and Placement officer at Vidya Pratishthan. At Institute level, we have the training and placement coordinator who gives all sort of information to the student.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Students are admitted through a Centralized Admission Process conducted by Directorate of Technical Education, Maharashtra State. Students aspiring for the programmes, appear for MH-CET conducted by Directorate of Technical Education, Maharashtra.

Assessment of students' Learning Levels is done through:

- Online certification courses
- Poor attendance list
- Academic results (Class performance, Assignments, Test, and University results)
- Mentoring process

Institute takes following initiatives such as - Induction for fresher's of MBA and MCA programmes, Guidance for choice of Major and Minor specializations for MBA students.

Based on the above assessment of the students, the following strategies are built to bridge the knowledge gap of the newly admitted students-

- Induction programme provides information with respect to the entire curriculum, the examination process, and information of the various centers for excellence, computer lab, library and other resources available in the Institute.

Institute scrutinizes the academic performance of the students closely. It seldom comes across differently abled students from diverse background. These students are admitted to the program. Institute provides for necessary facilities. Institute also provides remedial coaching and mentoring, if required.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Innovation and creativity is part of professional learning process. The teaching faculties incorporate various tools for encouraging self-learning. Students are advised to indulge in experiential and innovative learning techniques through conscious and elaborate methodologies adopted by individual teaching faculties.

Blended Learning - In addition to chalk and talk method of teaching, the faculty members are using the IT enabled learning tools such as Smart Classrooms, PPT, Video clippings , Audio system, online sources, communication lab and decision making games to expose the students for advanced knowledge and practical learning.

Faculty: To enhance the knowledge and skills of the faculty members, the Institute frequently organizes FDPs, MDPs, Workshops and training programmes on teaching pedagogy, general management and subject related topics. It encourages faculties to participate in seminars, conferences, workshops, FDPs and courses on NPTEL. Independent learning: Institute provides ample support to the students to make them independent learner. This is achieved through: Individual Projects Subject Assignments Mini projects. Few subjects/topics are encouraged to be in self-learning mode.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The Institute adopts both formative and summative methods of evaluation. Formative approach to evaluation includes measuring the student's achievement through presentations, group discussions seminars and case studies. The summative evaluation is done during tests. Even if some students don't perform well or clear the eligibility condition, then an extra chance is given to the student for his/her evaluation.

For summative approach unit tests and prelim exams are conducted.

Following initiatives are taken by the Institute for the improvement of evaluation process.

1. For student evaluation complete transparent system is set by the institute which is aligned with university norms. Evaluation criteria are set with common staff meetings and with approval of all experts with each subject.

2. One unit test and preliminary examination is conducted in each semester and its performance is accounted for Internal Performance Evaluation.

3. Internal subjects, projects and practical are evaluated using rules and regulations of university.

4. University reforms are aligned with institute's evaluation criteria such as Attendance, Assignments, Presentations/oral, Group Discussions, Scrapbook, Unit Test, and Preliminary Examination.

5. Internal Evaluation results are displayed.

6. In case of students seeking to improve his/her performance, he/she can do so by contacting the concerned faculty member.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

As per the University guidelines, 50 marks are allotted for internal marks, which are conducted by individual institute. Remaining 50 marks are evaluated by the University through theory exam for 50 marks (This was for the syllabus which was made effective academic year 2019-20 onwards).

Term end examinations for each course are conducted by affiliating university for each semester. Both the internal as well as external examinations are conducted under the surveillance of CCTV cameras.

Students may report any of their grievances to College Examination Officer appointed in consultation with the academic staff. Normally senior experienced staff is appointed as College Examination Officer. This is also in line with the university norms. He/she is treated one point contact for any issues or grievances related internal examination as well as University Examinations.

Students had major grievances especially on Online Examinations held for MCA/MBA Programme. The matter was taken up with affiliating university.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Programme outcomes, Programme specific outcomes and course outcomes for all Programme offered by the institution have been pre-determined only from academic year 2018-19. Based on the rubrics faculties have set Course Outcomes and Attainment levels.

Prior to the said academic year, result analysis exercise was strictly indulged in to ascertain the extent to which students were able to comprehend and achieve good academic result/s. Those passing and the percentage of students passing in pass, second, higher second, first and distinction were ascertained. This gave the idea to the faculty member as to how he/she had fared in terms students' academic achievement.

Institute had a practice of indulging in the determination of Programme Outcome on the basis of changes observed in Knowledge, Attitude and behavior of the students.

As regards, POs an academic discussion was initiated internally for all the teaching faculty members only to determine POs. This was done based on the academic and or industry exposure teaching faculties had.

It helped them identify and set the Course Outcome they expect the student to achieve and update. Blooms taxonomy was considered to be the guiding principle while fixing norms for levels of achievement concerned students were likely be part of.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Programme Outcomes (POs) and Course Outcomes (COs) for all the Programmes offered by the institute have been pre-determined.

Based on the rubrics faculties have set Course Outcomes and Attainment levels.

The Institute collects and analyses feedback in the following manner

1. Faculty observation - The faculty assess the students through their class participation and involvement in the institute activities.
2. Mentoring - Mentors notice important observations in students through mentoring processes and remedies are performed if major deviations are observed.
3. Internal assessment through assignments - Through various assignments the faculty is able to assess the achievement of the expected learning outcomes.
4. Examination Result Analysis - The committee is designated to do the result analysis of every student to see the academic progress of the student and feedback is given. This analysis is used for planning the pedagogy and lesson in the consecutive semesters.
5. Employer feedback analysis - The placement department collects feedback about the student performance in the industry during their initial period of employment. This information is analysed to ascertain the industry readiness of the student. If any common deficiencies are noted in the students, training programmes are undertaken for the consecutive batches.
